FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

The Secretary to the Government of H.H. the Maharaja
of Mysore, Local and Legislative Departments,
Bangalore.

SIR,

In continuation of my letter No.C.2180-16, dated 29th September 1923, I have the honor to forward herewith a copy of letter dated 17th September 1923, received from the Honorary Secretary, "Dr.Govindarajalu Memorial Committee" communicating the views of the Committee on the draft scheme referred to therein and to state as follows.

The contribution of Rs.644 already made by the Committee and invested as per G.O.No.L.2665-6-Med.51-22-2, dated 26th September 1922, has secured 6¼ % Mysore Government State Loan Bonds to the face value of Rs.725/- Further Bonds of the same kind to the face value of Rs.75/- will bring the value of the endowment to Rs.800/- and will secure an annual interest of Rs.50 sufficient for a Gold Medal.

I therefore request that the sum of Rs.44-12-0 being the interest for two half-years already accrued on the present investment may kindly be ordered to be applied towards the purchase of more Bonds of the 6¼ % State Loan, and the current half-yearly interest also be similarly invested, so as to bring the total value of the endowment to Rs.800/-

The interest accruing thereafter will be handed over to the Principal, Medical School till the total amount of accumulated

interest comes to about Rs.125, sufficient to meet the cost of a ye and of a Gold Medal. This is expected to become possible in ober 1926, which may therefore be fixed as the date from which scheme will come into effect.

The scheme as appended hereto, which is approved by the ittee, may also be kindly sanctioned.

I have the honor to be,

Sir,

Your most obedient servant,

Ag. Senior Surgeon.

"The Dr.Govindarajalu Gold Medal"

e endowment consists of a sum of Rs.644/- collected by the Ladies of Bangalore and made over to Government in August 1922. This sum, invested in the 6¼ % Mysore State Loan, 1940, has secured Bonds to the face value of Rs.725/- The interest accruing will be applied towards purchase of further Bonds to the value of Rs.75/- so that the permanent investment shall be Rs.800/- ~~worke at~~ in 6¼ % State Loan Bonds, 1940,

rther interest will be accumulated till it amounts to about Rs.125/- being the cost of a dye and a Gold Medal, which will be the first to be awarded under this scheme.

ereafter the annual interest of Rs.50/ will be utilised for awarding a Gold Medal annually, under the following conditions.

e medal shall be called "the Dr.R.Govindarajalu Gold Medal"

shall bear the likeness of the Bangalore Maternity Hospital on one face and the inscription "The Medical School, Bangalore. Dr.R.Govindarajalu Gold Medal for proficiency in Midwifery."

shall be awarded annually to the lady student who obtains the highest number of marks in Midwifery and Gynaecology, provided that she ~~passes~~ also passes in all the subjects of the Final Year Board examination and qualifies for the Diploma (L.M.P.) in the Medical School, Bangalore.

In the event of two or more such students obtaining equal number of marks, the fact that one of the students is a Mysorean shall be a deciding factor. If still a tie ensues, the Medal shall be awarded to the one adjudged most deserving by the Medical School Council.

There be no such lady student in any year, no medal shall be awarded, but the interest shall go to strengthen the endowment fund.

Letter dated 17th September 1923 from the Hon. Secretary Dr. Govindarajulu Memorial Committee, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter of the 15th May 1922, regarding the Gold Medal to be instituted in Memory of the late Dr. Govindarajulu in the local Medical School, I write to inform you as follows on behalf of the membersof the Committee.

1. The Committee agree that the institution of a gold medal costing rupees fifty must be preceded by a permanent investment of about Rs.700 in the 6½ per cent Mysore State Loan or some other equally well paying Security The present value of the investment must be about Rs.684, including the interest for one year on the original investment of Rs.644 . The Committe regret their inability to increase the permanent investment immediately to Rs.700/- They want the die to bear the likeness of the Maternity Hospital on on one face and the inscription "The Medical School, Bangalore Dr. Govindarajulu Gold Medal for Proficiency in Midwifery" on the other . The Committee suggest that the institution of the Medal may be held under abeyance until the investment rises to an amount which after deducting Rs.85/- the cost of the die, will still leave a permanent investment of Rs.700/- As this is likely to happen in two years so, the committee are willing to wait till then for the formal institution of the medal.

2. The Comittee desire that the following Scheme may be followed in awarding the Medal.-

" The Dr. Govindarajulu Gold Meal."

(a) The endowment consists of Rs.644/- invested in the 6½ per cent Mysore State Loan 1940 to the Credit of the Senior Surgeon, Mysore Government, the interest on which is to be utilised for awarding a Gold Medal called the "Dr. Govindarajulu Gold Meal" instituted by the Ladies of Bangalore, under the following conditions.-
